Dear Arabian Enthusiasts!

Welcome to the first issue of the futurity e-newsletter. We are working to keep everyone current on happenings with the upcoming Arabian Futurity. If you have items to add to a future newsletter, please email the address at the bottom of the page.

Meetings are held at the MSU Teaching Center on Farm Lane in East Lansing & open to all! We promise to welcome you & any input you have. This show is for all the Arabian Breeders of Michigan & your vote counts. Next meeting: April 19, 2009 at noon. If you can't make it, please email your ideas or call (616) 550-7957 for directions.

Futurity Show Details

As most of you probably already know, the show will be held September 19-20, 2009 in Mason, Mich. The judge this year is the very well respected Mr. Andrew Sellman. On Friday night before the show we ask our judge to do a short seminar with Q&A around 8 p.m. On Saturday night after the evening classes, we host a delicious dinner followed by the live stallion breeding auction. If your show entries are not already in, please contact our new show secretary, Anna Bortoli, for how to be included. 734-783-2939 or valannfa@ili.net

Sponsor Information

Many sponsors have stepped forward already to be on board for this year. With these newsletters, we are going to increase promotion for those sponsors by highlighting a few each time. Remember it is the sponsors that help fund the championship classes each year so we really need to thank them for their support. If you would like to be included as a sponsor, please follow this link which shows the categories & benefits. Sponsorships can be cash or products for the silent auction too!

Stallion Breeding Auction

The foals resulting from each years breeding auction are eligible to show back as yearlings in the ATH Yearling Jackpot classes which compete for the money earned in that auction. This year those yearlings will compete for around \$18,000! This prize money is dependant on gracious stallion owners who believe in this futurity & receive lots of advertising for their donation. It also depends on bidders who often times get a superior breeding at a great price plus will have a baby who can compete for the prize money! If you have a stallion you would like to donate or know of one you would like to see in the program, please follow the link below for more information. The sires of the winning jackpot classes each get a full page ad in the Modern Arabian Horse highlighting the wins! Again we will be highlighting some here each time. Back this year we want to help you sell your Arabian horses. In the past it was only during the show & after on the website. This year we want to start now by promoting sale horses in the newsletter & on the website. Any horse not sold can then be brought to futurity for more promotion at the show. See form on website for details.

Please share this newsletter with anyone who you think would like to be a part of this Arabian Futurity Show. Participation is always encouraged along with your suggestions.

Sincerely,

Michigan Arabian & Half Arabian Breeders Futurity
