News flash: KM Bugatti has just been confirmed in the auction! There are a few stallion spaces still open but are filling fast. Contact PaulDiedrich@sbcglobal.net to get your stallion listed!

Keep in mind that auction supporters in 2006 made it possible for this large jackpot this year. If you want to breed to a stallion, get him donated to the auction so you too can compete for this money...plus its amateur to handle!

**The American Saddlebred Horse Association of Michigan
joins the Michigan Arabian Futurity**

Due to ASHAM losing their show facility, they will be adding classes to the Arabian Futurity throughout the weekend. Some Saddlebred classes may start friday night. The rest will be distributed within the Arabian show saturday & sunday. They are donating stallion breedings to the auction plus sharing various costs involved with the show. We are excited to welcome them & feel that they will be a benefit to the weekend. Check out their website at www.asham.org

Judge's Seminar

Just a reminder to plan to attend the short informal seminar with the show judge Andy Sellman friday night around 8:00 p.m. behind the show office. Cake & coffee will be provided. This is a great opportunity to get his input on what he likes & dislikes in the show ring. There will be time for questions & answers during that time also. This is free to all & no reservations are required.

Silent Auction

Always a fun part of futurity is looking over the silent auction items & later outbidding everyone for your favorite! Items are being added often but here are some most recent:
www.Uckele.com has donated gift certificates!
www.arabian-select.com donation of braided Arabian presentation halters!
Napoleon Feed Mill donated 2 bags of horse feed!

If you'd like to donate, items do not have to be horse related. Drop a note with your idea to the email below so we can get it listed.

Sale Horse Program

If you happen to have a nonfuturity Arabian horse that you want to sell, consider the sale horse program at the futurity. For only \$75 that horse gets a stall with your futurity horses, listed on the sale flyer with stall location & you handle the sale. See the website for the form & more information. Unsold horses can be listed on the website before & after the show if requested.

Take a look at some of our sponsors!

These sponsors support the championship paybacks at futurity. Some do it with cash sponsorships, some do it by providing services in exchange for advertising & some help by providing products for the silent auction. Some even do all of those things! Regardless of how they support the show, they deserve a huge thank you & for everyone to take a look at what they offer. If you would like your name, farm and/or business listed please use the contact email below. These names are also listed in the show program & with links on the website. This is only a partial listing.

Missing Mail!

It has come to our attention that some show packets that the futurity sent to past exhibitors containing renomination forms, stall requests, sponsor sheets & more have been lost in the mail. If this happened to you please contact us so we can get you current & in the show for this year. Use the email below & your questions will get taken care of. Remember that the forms that you will need are also on the website at www.mifuturity.com

Just for fun! Search the futurity on Facebook.
